## How to assign licenses to cameras on the Partners Portal\*

- Log in to the Partners Portal and go to “Customers”.
- Select the customer and click “Add Licenses”.
- Select the cameras and click “Batch-add Licenses”.
- Select a license type and click “Apply License”.

\*The Partners Portal access is exclusive to Turing Partners.

The screenshot displays the Turing Partners Portal interface. On the left is a dark sidebar with navigation options: Discover, Dashboard, Customers (highlighted with a red '1'), License Store, License Orders, License Pool, and Purchase History. The main content area shows a customer named 'Sales Demo' with an email 'sales\_demo@turingvideo.com'. A red '2' highlights the 'Add Licenses' button. Below, a table lists devices with columns for Devices, Status, Type, and License. A red '3' highlights the 'Batch-add Licenses' button above the table. The table contains the following data:

Devices	Status	Type	License
<input type="checkbox"/> 123			0 Bridge
<input checked="" type="checkbox"/> Demo Site 1 (San Jose, California) - San Jose, California			2 Bridge
<input checked="" type="checkbox"/> LABORATORY	Online	T Turing	AI CORE AI Exp 06-08-25
<input checked="" type="checkbox"/> PARKING LOT's A	Online	T Turing	Basic
<input checked="" type="checkbox"/> PARKING LOT B	Online	T Turing	Basic
<input checked="" type="checkbox"/> Turing PTZ Camera 1	Online	T Turing	Basic
<input checked="" type="checkbox"/> Turing PTZ Camera 3	Online	T Turing	Basic
<input checked="" type="checkbox"/> PTZ with license	Online	T Turing	Basic

Buttons for 'Upgrade Firmware' are visible next to the last two rows of the table.
