How to assign licenses and start services to cameras on the Partners Portal*

- Log in to the Partners Portal and go to “Customers”.
 - Select the customer and click “Add Licenses”.
 - Select the cameras and click “Batch-add Licenses”.
 - Select a license type and click “Apply License”.
- As soon as the licenses are applied, the purchased service and license duration are automatically activated.

*The Partners Portal access is exclusive to Turing Partners.

The screenshot displays the Turing Partners Portal interface. On the left is a dark sidebar with navigation options: Discover, Dashboard, Customers (with a red notification badge '1'), License Store, License Orders, License Pool, and Purchase History. The main content area shows a user profile for 'Sales Demo' with email 'sales_demo@turingvideo.com' and a 'Request Full Admin Access' button. Below this, there are two buttons: 'Add Licenses' (with a red notification badge '2') and 'Batch-add Licenses' (with a red notification badge '3'). A table lists 7 of 16 cameras selected in total. The table has columns for 'Devices', 'Status', 'Type', and 'License'. The devices listed are: Demo Site 1 (San Jose, California) - San Jose, California (0 Bridge / 2 Bridge); LABORATORY (Online, Turing, CORE AI Exp 06-08-25); PARKING LOT's A (Online, Turing, Basic); PARKING LOT B (Online, Turing, Basic); Turing PTZ Camera 1 (Online, Turing, Basic, Upgrade Firmware); Turing PTZ Camera 3 (Online, Turing, Basic); and PTZ with license (Online, Turing, Basic, Upgrade Firmware).
